

Favorite quotes from the Dowager Countess of Downton Abbey:

CORA, COUNTESS OF GRANTHAM

We were just saying how charming this room is now.

VIOLET, DOWAGER COUNTESS OF GRANTHAM

Mm. It always seemed rather dark when my mother in law lived here. But then she made everything rather dark.

**July 25, 2014**

So I'm driving down the road in front of the county court house and I spy these 4 guys, decked out in neon vests standing on the corner. As I watched, they walked out into the middle of the street and began an unintentional 3, or in this case, 4, Stooges routine. Or maybe Abbot and Costello. Or Buster Keaton. It was unintentional slap stick at its finest.

One guy was carrying too many unstacked orange cones - a couple in his hands, others under his arm pits. A second guy was carrying a long pvc pipe on his shoulder. A third guy had a shovel and the fourth guy, clearly older and in charge, was carrying a clip board.

No surprise, the first guy drops an orange cone and turns around to pick it up, swinging the other cones in a circle. The second guy steps away to avoid the cones and then turns around to watch the first guy pick up the dropped cone, swinging the long pvc pipe behind him and almost hitting the bearded guy with the clip board.

The third guy, who was smart enough to avoid all of that, puts the shovel down, but then accidentally steps on it causing it to knock over an orange cone that the first guy had managed to drop in place around the sewer cover. The bearded guy with the clipboard starts shaking his head.

And all of this occurred in the brief amount of time it took me to drive across the street, avoiding all 4 guys.

And I'm thinking to myself, I bet these guys have never seen a Buster Keaton or Abbott & Costello movie. And they'd never admit they looked like the 3 Stooges.

A little quiet time away from the distractions of home is what we need to get our projects done.
