

Favorite quotes from the Dowager Countess of Downton Abbey:

MATTHEW CRAWLEY

I've got a job in Ripon. I said I'll start tomorrow.

ROBERT, EARL OF GRANTHAM

A job?

MATTHEW CRAWLEY

In a partnership. You might have heard of it, Havel and Carter. They need someone who understands industrial law, I'm glad to say. Although, I'm afraid most of it will be wills and conveyancing.

ROBERT, EARL OF GRANTHAM

You do know I mean to involve you in the running of the estate?

MATTHEW CRAWLEY

Oh, don't worry. There are plenty of hours in the day. And, of course, I'll have the weekend.

ROBERT, EARL OF GRANTHAM

We'll discuss this later. We mustn't bore the ladies.

VIOLET, DOWAGER COUNTESS OF GRANTHAM

What--what is a weekend?

July 4, 2014

I am always surprised at the funny looking people I see at events like Super Days or Frontier Days, which is coming up. Now, if you went to Super Days, I'm not talking about you, of course. Or me. Well, maybe. No, I'm clearly talking about everyone else.

Fat, skinny, old, young, really fat, really young, really old, really tattooed, mohawked, goth. I mean, seriously. Where do these people all come from? It was almost like being at Frontier Park during Frontier Days where the short shorts, high cowboy boots & big hats and big hair mingle with the all black tattooed pale goth creatures. You know what I'm talking about, you've seen them, too. And wondered.

Now don't go all politically correct on me. I suppose I was one of those funny looking people that other people were people watching. Short, portly, wearing wraparound sunglasses, t-shirt, shorts, ankle socks & tennies, and a huge hat that protected my face, shoulders and part of my arms. I got the hat in D.C. when I visited my niece a few years ago. It's great for keeping the sun off of everything, including your neighbors. But it's not a great hat to wear in the wind. So I'm trucking around Super Days with a brightly colored scarf tied around my head, around the hat, with my hand holding onto the brim of the hat. And the hat still blows off. I had better luck when I wore the orange billed duck hat when I was helping out the Duck Derby. When I put the floppy hat on top of the duck hat, things stayed on a little better.

Like I said. I'm not one of *those* people. Well, maybe.

Happy Fourth of July! May the idiots who set off fireworks on the dirt roads by my house not set the prairie on fire. I'm all about celebrating. I just don't want my house to burn down in the process.

DUCK DERBY

None of us won. The million dollar duck wasn't even sold. So next year----we've gotta sell all of the ducks!

QUILT WYOMING IS ALMOST HERE!

JULY 10-12

For those of you looking for patterns and notions for classes, I have brought in supplies for all classes--I might be missing a couple of things, but I think I have most of the supplies and patterns for classes. If you are looking for something, give me a call. If I don't have it, I'll try to get it in.

Bucking Horse and Rider News!

The fabric is shipping from Bali and should ship from California in another couple of days. That means: July 14 is the best estimate date. I'm hoping it may come early--next Thursday--during Quilt Wyoming so that I can take the excess to the vendor show.

WHAT'S NEW!!

I brought in a "roll" of black raw silk (silk noir). Right now, it's on the roll and in a box. We will be cutting yard cuts from it so that we can more easily display the silk. This is most often used in embroidery for backgrounds. Anyone taking Judith Baker Montano's classes--this is one of the materials she recommends.

We also have in Omni Thread on big spools, wash away thread, YLI silk ribbon, some silk thread, some more Valdani thread size 12, Superior Thread on bobbins (mainly for use in applique, but can be used in bobbins in machines), buttons, Karen Buckley's Perfect scissors, and the The Gypsy Quilter Sit Upon--great for taking to classes.

New books & patterns + plus a bunch more patterns that I couldn't grab pics for.

HAND APPLIQUE CLUB

This is a get-together & stitch class. Many of us are trying hand applique these days-- patterns are calling for a lot more applique. The club is designed for quilters who already do some hand applique, but beginners are welcome as well. We will share techniques, suggest patterns, talk about threads and, in general, just stitch. A little quiet time away from the distractions of home is what we need to get our projects done.

HAND EMBROIDERY CLUB

If you want to learn to hand embroider or just brush up your technique, join us on the second Saturday of the month from 10 to noon. We provide free vintage patterns, and this year we will have free patterns of girls with hats, that you can embroider, embellish and color. Each month Kathy Sconce shows us a new stitch to try, plus, she guides us through thread choices, how to knot, fabrics to use, and tracing techniques.

This is another get-together class to sit & knit, work on our projects, share information and get some help. We will share techniques, suggest patterns, but mainly we'll sit & knit (or pick).
