

Favorite quotes from the Dowager Countess of Downton Abbey:

VIOLET

Yes, I worry about you. That sort of thing is so horrid.

EDITH

Being jilted at the altar? Yes, it is horrid. Multiplied by about ten thousand million.

[Edith sits.]

VIOLET

Oh. You must keep busy.

EDITH

What with? There's nothing to do at the house. Except when we entertain.

VIOLET

Well, there must be something you can put your mind to.

EDITH

Like what? Gardening?

VIOLET

Well, no, you can't be as desperate as that.

October 17, 2014

I don't know why but I sometimes wake up in the middle of the night and discover a Michael Jackson tune running through my head. One of those ear worms they call them. And it's usually the tune Billy Jean. Now I'm not a real Michael Jackson fan. I like his dancing and the song Thriller is a favorite at Halloween, but Billy Jean is a tune that just gets stuck in my head for no reason and it's just annoying. I'm sure this never happens to you.

So I roll over, grab a pillow to stick between my knees and discover I've grabbed the cat instead, and that doesn't turn out so well.

And then the whole menagerie is awake and we all have to get up to take care of business.

And you sometimes ask me when I find time to get stuff done. You never really get back to sleep after you've slept on the cat and find Michael Jackson in your head.

Bertie's Year: We have all the flannels (36 or 37) to do these patterns. We have made 7 kits, but are still waiting on patterns. If you are interested in a kit, let me know. As time and

fabric allow, we may kit the patterns individually. The bolts of flannel came with only 6 yard put ups, so if you are interest in a complete kit or individual patterns, don't wait to long to decide. Complete kit is \$191, and installment payments are okay.

WHAT'S NEW!!

Because of the Brave from Moda: We only have the charm packs and Jelly Rolls in right now. Fabric on bolts will follow by November.
