August 17, 2016

The fall 2016 schedule is done! Well, almost. We may make a few changes here and there and we may add a class or two. And the explanation for the classes will be coming soon. Please feel free to sign up now--and if you are interested in any class, but aren't sure, please just tell us and make sure we put your name down anyway. That will help me prepare better for upcoming classes. And I'm serious about telling us--or me in particular--to write your name down--I forget to do that & then I never know who is coming to class. You'll be doing me a favor by helping me stay on track. :)
