Merry Christmas!

All families have Christmas traditions. My favorite Christmas memories are coming home from college, dumping my laundry bag at the door while

hollering, "Ho Ho Ho," sleeping in, reading books, staying up late, watching old movies, and unwrapping gifts on Christmas Eve.

We had lots of presents to open, mainly because mom wrapped everything individually. If you got socks or underwear, each piece was wrapped as its own little present. Even battery packs were wrapped separately from the gift it went with. Very few things ever got bundled together. It took hours, especially since we had to open individually-everyone had to watch as each gift was opened and celebrated. We even had to take a food break to keep up our stamina.

One of my favorite traditions was to give and get books. Mostly these books were used, bought at Goodwill Book sales, used book stores and thrift stores. I was about 12 when my dad started taking me to book sales. The books were mostly for adults, so I didn't recognize many authors. But I did know Ellery Queen and dad let me get a couple. In contrast, dad bought a lot. We took boxes home. And I was hooked. So at Christmas, some of my favorite presents were used books from dad. I still give used books as presents, but since not everyone understands, I'm careful to whom I send used books.

Another favorite Christmas tradition was to watch old movies, as these were the only movies that played late at night during the holidays, when you could stay up late and sleep in the next day: Holiday Inn, White Christmas, all 6 of the Thin Man movies, Marx Brothers movies, Meet Me in St. Louis, Christmas in Connecticut, The Man Who Came to Dinner, It's a Wonderful Life, Miracle on 34<sup>th</sup> Street, A Christmas Carol, The Bishop's Wife and Fred Astaire musicals including Top Hat, Swing Time, Royal Wedding, Shall We Dance, The Band Wagon.

Over the years I have added to the list of movies that form Christmas for me: A Charlie Brown Christmas, Rudolph the Red Nosed Reindeer, the original cartoon How the Grinch Stole Christmas, Scrooged, Christmas Vacation, A Christmas Story, Die Hard, Home Alone, The Santa Clause, Polar Express. We won't talk about the Hallmark movies.

The most iconic Christmas movie is probably White Christmas, which is also the most popular Christmas song. The movie spurs us to yearn for a White Christmas, which technically means that the ground is covered by snow. Now, before you say "Duh," some countries have strict definitions as to what constitutes a white Christmas. In the U.S., the snow has to be 1 inch by 7 a.m. Christmas morning. Don't ask me who the "white Christmas police" are or who put themselves in charge of this. Just accept that it is.

Canada requires 2 centimeters (.79 inches), Britain requires the snow to be falling even if it melts before it hits the ground. Snow already on the ground from previous snows on previous days doesn't count. Why is this important? It's because the British take book on whether the U.K. will have a White Christmas and only falling snow counts. (You can bet that Vegas takes bets on who gets a white Christmas.)

Irving Berlin's song White Christmas debuted on the Kraft Company's radio show on Christmas Day, 1941, 18 days after Pearl Harbor. It is a melancholy and wistful song. Bing Crosby said he didn't like to perform it for the troops because it was so sad, but the troops always insisted. If you've seen the movie White Christmas, you can get a feel for what he's talking about because the movie begins during a Christmas Eve performance during the war. Crosby sings the song while the men bow their heads, thinking of home and family. The Armed Forces Radio played the song over and over and by the end of the war, "White Christmas" was the bestselling song and it's still the best selling Christmas song.

It looks like Cheyenne will have a white Christmas by either U.S. or U.K. standards. May your holidays be Merry!

## Nolting Longarm Machines

Nolting has 5 main machines, each with different reaches: from 17" to 30" depending on the machine. They are sold with or without a frame, but after I saw & helped set up one of the steel frames this week, I recommend buying the frame. All machines, except for the Standard--the most economical machine-- have a stitch regulator. I recommend a stitch regulator. All machines can be equipped with a computer and there are a couple of different ones to choose from. In addition, you can get an extended table base so that you can use rulers, you can get larger bobbins on some of the models and on the frames you can get hydraulic lifts to raise and lower the tables. In the coming weeks, I will print out more information on each model.

The best entry level machine is the Fun Quilter. It comes in 17", 20" & 23" reach. It comes with the Intellistitch Equalizer stitch regulator, standard speed control, needle up/down, and fixed handles in the front & rear. This machine can also be equipped with a computer.

The Pro Machine has the Intellistitch Turbo stitch regulator, single stitch

option, standard speed control, needle up/down and customizable handles in the front & rear. The Pro Machine comes in 20", 24" and 30" reach with 10-12" of inside height. There are easy dials on the front to set stitch length and other options. This machine can also be equipped with a computer.

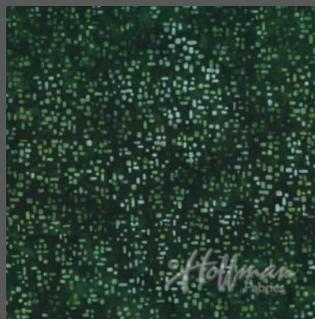

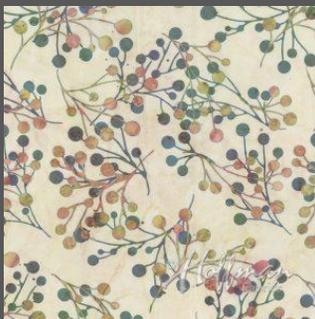

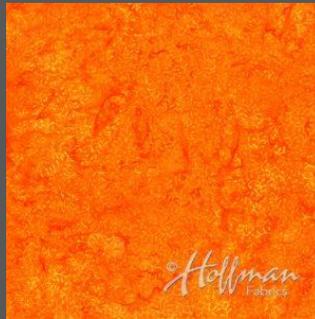

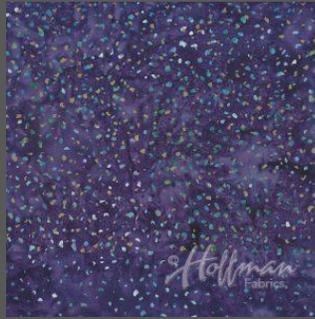

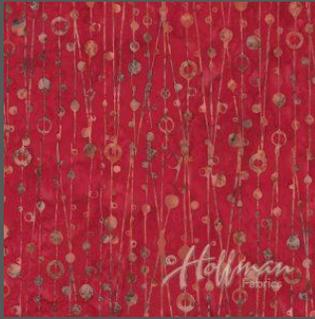

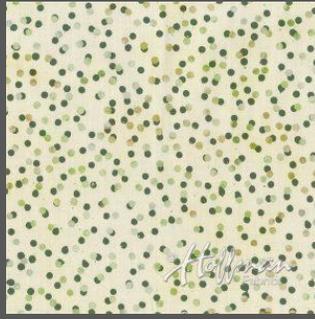

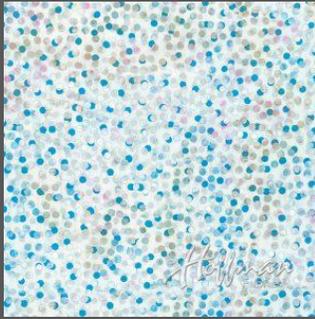

The NV Machine is the newest in the fleet of Nolting machines. This machine has a touch screen with programmable stitch regulation. You can stitch in 4 different stitch modes plus single stitch and needle up/down. It also has an adjustable brightness LED work light. This machine can also be equipped with a computer.

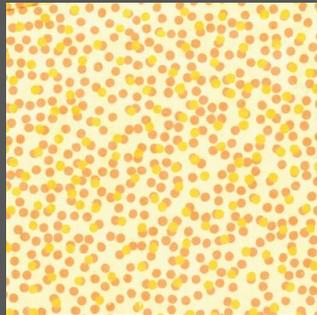

Nolting also has a commercial machine with the Intellistitch Equalizer stitch regulator, standard speed control, needle up/down, and fixed handles in the front & rear. This machine can also be equipped with a computer.

applied in place.

This comprehensive 8-week course will introduce to you almost everything you need to know about piecing a quilt top. Along the way you will learn about color, batting, thread, machines and various techniques to give you the skills to make almost any quilt.

**Block of the Month First Sat of month 10:30-11:15 FREE Barb Boyer**

Join at any time. You get a free fat quarter if you come to class with the previous month's completed block. This year we're making a "modern" quilt. Something new, something different. I will provide some other options as we explore the modern quilt world.

**Cardinal Waltz Sat January 20, 1-6 2-4 Barb Boyer \$20**

This quilt features the classic 54-40 or Fight block paired with a Snowball block. The combination is often called Tennessee Waltz. Pattern will be provided and a special ruler will be required. While this quilt is made in Christmas colors of red and green, the cardinal fabric that used is timeless and can be displayed any time during the year.

**English Paper Piecing Club 4th (or last) Mondays 2-4 Barb Boyer \$20**

English paper piecing dates back to the early 1800s. It is a hand sewing method that uses paper templates to help sew complex angles together, like hexagons. Any number of different designs can be made, including Grandmother's Flower Garden- this is the pattern I am STILL doing this year. Several patterns will be available, including traditional Flower Garden and the Downton Abbey free pattern.

**Floral Menagerie 1st Saturday of Month thru June, 1-4 Barb Boyer free with purchase of kit**

This adorable, bright & sparkling quilt is a snap to do. The quilt is kitted and the class works as follows: Buy the first installment for \$123, which contains all of the background fabric, the pattern and the first 2 blocks. Then every month, for \$16 you will get the fabric for the next 2 blocks. During class, you will have time to cut and piece your blocks-you may even get them done! I will also teach how to do the machine applique on the animals. We have 5 kits left-these kits will not be on the Customer Appreciation Sale.

**French Braid March 17 & 31 10:30-5 Sue Frerich \$25**

Are you looking for a little challenge & new technique to learn? That results is a spectacular quilt? Then come learn how to do the French Braid quilt. Casca

ding colors make this a very striking quilt-and it really is easier

than it looks. Techniques learn include how to handle bias, color placement to create a great cascading effect, and, of course, how to French Braid!

**Hand Applique/Back Basting TBA Sandra Freeburg \$25 Watch the calendar or call for dates**

Back basting is a template free method of needle turn applique. No slippery freezer paper or chalked lines on top that never seem to get turned under quite right. This method is especially great for traveling, because your pieces will be basted onto your background -- no need for pins to get in the way. This class is great for beginners and all levels of appliquers. Don't let hand applique frustrate you. It's really easy and relaxing!

**Hand Embroidery Club 2nd Sat. of the month, 10-noon FREE Kathy Sconce**

If you want to learn to hand embroider or just brush up your technique, join us on the second Saturday of the month from 10 to noon. You can work on your own projects or you can join the project we are doing. This year we are following a purchased pattern called My Crazy Life. It is wool appliques on flannel backgrounds. Then we will explore a variety of embroidery stitches to embellish each block-4 six inch blocks per month (or whatever you choose to do), for a total of 48 blocks. Each month Kathy Sconce shows us a new stitch to try, plus, she guides us through thread choices, how to knot, fabrics to use, and tracing techniques. We will also discuss wool, felted wool, wool felt, various threads for embroidery, various

techniques for the wool applique and setting options for the quilt.

**Hand Quilting TBA Sandra Freeburg \$25 Watch the calendar or call for dates**

Hand quilting is an art that should not be lost. By the end of Sandra's class you will be hand quilting with confidence. Everyone has at least one special quilt that calls out for hand quilting. And there is nothing better than the feel of a hand quilted quilt. Do yourself a favor and learn this art that connects us to our past -- our mothers, grandmothers and great grandmothers.

**Hunter Star, the easy way May 19 10:30-4 Barb Boyer \$20 (Watch this date, it may have to change)**

The Hunter looks complicated, but with the fast & easy tool, it's a snap. We are getting beautiful collections that I bought specifically for this class. If you are looking to learn a new technique, this is a great quilt for that.

**Knit Pickers' Club 2nd Wed of each month, 6-8:30 Carol Moler**

Every second Thursday, we're getting together to practice our knitting. The Club is open to all skill levels. We want to share what we've learned, find new patterns, and simply just sit and knit. We're currently working on some felting projects, but we're planning on heading into fingerless mittens, mittens, and socks. We are discussing trying to do a group project-meaning everyone does the same pattern. Each month we will learn a different pattern, make it into a square and eventually put all the squares into one project-afghan, scarf, bag, etc.

**Long Arm Quilting Classes Wednesdays in February, March & April from 10:30-1:30 or 6-8:30 and Saturday Feb. 17, 10:30-1:30 & 3-6, Barb Boyer \$30 (check calendar for times & dates)**

In this class you will learn all about the Nolting long arm quilting machines: loading, threading, quilting. I'll demonstrate how to load and thread, set stitch length, change tension, wind and load bobbins. Then I will load a practice quilt onto the machine and show how to do hand guided quilting. Each student will be given at least 15-20 minutes of practice time. (Each class is limited to 4 students). You will be able to do free hand quilting plus you can practice following a pantograph. Any quilter who wants to rent to machines must take this class first, regardless of whether you have experience on a long arm machine. This class is not designed to teach you everything there is to know about long arm quilting-it's just a start.

**Long Arm Quilt Demonstrations Wednesdays in January from 1-3 Barb Boyer FREE!**

Come watch long arm quilting in action! I will have a quilt loaded onto our Nolting long arm machine and I'll demonstrate various quilting patterns and basically show how the machine works. Come & watch, stay as long as you like. I have the classes scheduled to begin on the 10th, assuming our new space is up & running.

**Monthly Minis First Saturday of the Month, Feb-Dec. 4-6 FREE**

This year we are going to do the Great Pumpkin Quilt, a purchased pattern. It will start in February because we are still finishing last year's Holiday Houses in January. Starting in February we will work on the Great Pumpkin quilt. We will plan to do 2 blocks a month, and do the top banner section over two months. In class we will discuss use of color in the backgrounds and pumpkins. We will also discuss and learn various machine applique techniques to use on the blocks.

**One Block Wonder Panel Quilt Sat April 28 & May 12 & 26 see calendar for times**

**\$30 Sue Frerich**

For all of you who missed the class before, you don't want to miss this class-we won't have it on the schedule again for awhile. The technique is called One Block Wonder and you need 7 panels for the quilt. Sue used a beautiful eagle print (keep your fingers crossed, we may be able to get 1 bolt). But we have lots of interesting panels that would make a fantastic One Block Wonder Panel Quilt. (I'm looking at the Star Wars panels....).

The technique used is similar to a Stack & Whack quilt, but the difference is in how it is sewn together. This is truly a stunning quilt. You don't want to miss this class!

**Pillow Case Party Sun. April 29 1-4 FREE**

If you've never made a pillow case, or just want some time to sew a pillow case, this class is for you. This is a great mother/daughter styled class and pillow cases make great presents!

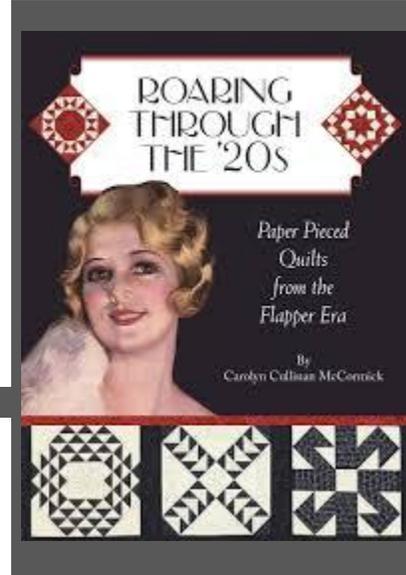

**Rain Stick Quilt, Saturday Feb 17 10:30-4 Sue Frerich \$25**

This is a brightly colored, almost color wheel flavored quilt. It's a cascade of color in strips and squares, imitating the visually the sound a rain stick makes. We will have precut strips available in cascading colors for your convenience.

**Roaring through the 20s, Foundation Paper Piecing Thursdays Feb 1 & 15; Mar 1 & 15, April 5 & 26. 2-4 Sue Frerich \$30**

The blocks are classic, but you can put a modern spin on the blocks through your fabric selection. Learn to do a variety of paper pieced blocks-2 blocks per class and class every other week (for the most part) to keep you going. This is a great dorm quilt for your new grad, a mom's day quilt, a wedding quilt-just think of the May gifts you may be needing and make this quilt as one of your gifts. It's a perfect way to learn paper piecing.

**Scrappy Churn Dash, Saturday Jan 27 10:30-4 Barb Boyer \$20**

This is one of the coziest quilts you will ever make. The blocks are large sized churn dash blocks made from flannels and brushed cottons (your choice). You can also make it from batiks and regular cottons, but the scrappy flannel choices make this quilt into a perfect winter cozy quilt.

**Spider Web Quilt Saturday March 24. 10:30-4 Barb Boyer \$20**

Everyone who has the 60 degree triangle for making the Triangle Frenzy table runner-here is a quilt that you can do using this same ruler! It's a strip pieced quilt (strip size of your choosing). Turn your strips into triangles and turn your triangles into rows, creating "spider webs." Great for scraps or precuts.

**Spoon Quilting TBA Sandra Freeburg \$25 Watch the calendar or call for dates**

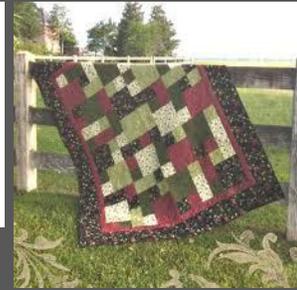

No more sore fingers! Learn to Spoon Quilt, with a special spoon quilting tool. This tool helps you keep your stitches tiny and even without pricking your finger. Need to have basic quilting skills (rocking motion quilting).

**Strippy Quilt Feb. 24, 10:30-4 Barb Boyer \$20**

This is a great plaid quilt-but one where you don't have to worry about keeping anything straight. It has strips, squares, and diagonal striped blocks, very geometric. Perfect for scraps, flannels, brushed cottons, solids, and I can envision a stunning version all from batiks.

**Take 5 Quilt, Monday February 19 10:30-54 Barb Boyer  
\$20**

In 5 minutes you can find 5 fabrics and in 5 hours you will have a quilt. You can do it, but most people take a little longer. This is a quick & easy quilt. It's great for a kid's quilt, a dorm quilt, or just a quilt to showcase big and bold prints. Come sew all and see how far you get!

We use printed patterns and some vintage free patterns that you can embroider, embellish and color. Depending on the projects, each month Kathy Sconce shows us a new stitch to try, plus, she guides us through thread choices, how to knot, fabrics to use, and tracing techniques.

**Knit Pickin' Club**

This is another get-together class to sit & knit, work on our projects, share information and get some help. We will share techniques, suggest patterns, but mainly we'll sit & knit (or pick).
