

December 29, 2020

Welcome to the Spring Schedule!

We are still Covid-19 bound. Which means classes will be limited in size and in the number of hours. Most classes will start at 1 and run until 4 (or til 5 when the shop closes). Consequently, we are adding an extra week for most of the quilt classes. You can bring something to drink, and snacks, but no lunches inside the store. Masks are required at all times. We will add more classes to the schedule, if the virus comes under better control over the next several months.

We are doing two classic quilts this spring: Bear's Paw and Lone Star. The Thanksgiving quilt is also a classic old-style pattern. The Bear's Paw and Thanksgiving quilts are great for scraps.

We are organizing a charm quilt -- and, no it's not from charm packs made popular by Moda. Charm quilts come out of the late 1800s and were mainly organized as exchange-fabric quilts. They are typically a one-patch quilt (all triangles or squares or hexies) and every fabric in the quilt is different. The "charm" part requires 999 different fabrics in one quilt. Come to class, learn the secrets, exchange fabrics with class members and build yourself a 999-patch quilt. A great way to remember 2020 (you could put 2020 different fabrics in your quilt--come to class and you'll see my milenium quilt with 2000 different fabrics).

Jean is teaching another Krista Mosher quilt, this called Bumblee Blossoms. It uses the same ruler as her other patterns, but this calls for a mini size ruler, which we are brining in (you can still use the bigger ruler if you want).

We have a Crazy Quilt on the schedule (2-fer quilt), which uses a specialty ruler from Creative Grid to cut the crazy patches, and then the 2-fer part is you get to explore your specialty stitches on your machine as you embellish the seams of the crazy quilt patch.

Sue has Oriana, which will teach you all about circles, a fractured quilt that employs a little fabric artistry, and a beautiful paper pieced tiger that can become a center piece for a larger quilt.

I'm excited about the schedule. There are other quilts listed, so take a look through the calendar and class descriptions. We will add other quilts as the year progresses. And look for fun things for National Quilt Day in March. We will celebrate as much as we can.

Please look on the calendars above for times and dates.

Ongoing Classes & Clubs

Block of the Month First Sat of month 10:30-11:15 FREE Barb Boyer

Note: January class will be held on the second Saturday

Join at any time. You get a free fat quarter if you come to class with the previous month's completed block. This year the challenge will be houses and seasons. Each row will have houses, trees and other "neighborhood" objects. Each house will have a place for a pieced block. Each "row" will be a season: Spring, Summer, Fall and Winter. We'll also have a quilt store, school, "village" shops, church, outhouse, dog house, barn - as many as I can squeeze in!

Hand Embroidery Club 2nd Sat. of the month, 10-noon FREE Kathy Sconce

Note: January class will be held on the third Saturday

If you want to learn to hand embroider or just brush up your technique, join us on the second Saturday of the month from 10 to noon. You can work on your own projects or you can join the project we are doing. We will be starting Crabapple Hill's Snow Days. This is an embroidered and pieced block. So we will help you through the piecing, tracing and embroidery.

Knit Pickers' Club 2nd and 4th Wed of each month, 2-5 Carol Moler

We are changing up the Knit Pickers' Club. We're going to knit 2 days a month every second and fourth Wednesday, and we'll start earlier in the day at 2 and go to 5. The Club is open to all skill levels. We want to share what we've learned, find new patterns, and simply just sit and knit. We may work on some felting projects, fingerless mittens, mittens, and socks. By summer, we may extend the knitting time into the evening.

Hand Sewing Club every Tuesday afternoon 2-4

This club is open to everyone. Bring your hand sewing (embroidery, binding, knitting, crochet, etc) and sit & stitch. During covid, we sit 6 feet apart and wear our masks, but at least we can share our projects, get a little stitching done and

just enjoy the companionship.

Other Classes

TBA Our schedule is limited this spring because of the pandemic. Face masks will be required in class and space will be limited. Classes will not run through lunch, so no eating (snacking & water okay, but no lunching). Bathrooms may or may not be available, but there are facilities within walking distance.

Please check the calendar regularly because we will swap out classes as needed and add others as we get back to more normal times. Machine quilting, machine applique, long arm classes, hand quilting and hand applique will also be coming back-I'm hoping by summer!

We may also teach the Elk Quilt, once the fabric comes back in sometime in April. And we're (meaning mainly Jean) are always sewing on new things, so those quilts may also be added to the schedule.

January classes

2-fer Quilt Mondays January 18 & February 15 1-4 \$35 Barb Boyer

This is a crazy quilt using the Scrap Crazy Creative Grid ruler, making it easy to stack cut the pieces. Then, and this is the 2-fer part, you will embellish your seams using the decorative stitches on your machine! If you've never tried out those stitches, this is a simple, easy way to experiment.

Bumblebee Blossoms Sat January 30 from 10-noon (discussion), & February 20 & 27 1-4 (sewing) \$35 Jean Korber

Krista Mosher has done it again with her Bumblebee Blossoms quilt. The pattern uses ombre fabrics, but Jean will show you other ways to choose your fabrics - thus the Jan 30 class where she will help you pick your colors. The next two classes will be all about sewing the blocks.

Charm Quilts, last Saturday of each month (discussion, no sewing) Jan 30 10-noon, then on the other class dates from 10:30-11:30 \$20 Barb Boyer

Charm quilts date from the 1880s and 1890s. They tend to be one patch quilts (all squares or all triangles) and they use lots and lots of fabrics-999 to be exact. But the catch is, you can only use one fabric per each patch. We need lots of people to sign up for the class - but don't worry about covid. We will do this very carefully. In order to get to 999 different fabrics, we will be exchanging 5" squares of different fabrics, each month exchanging different colors. We won't exchange 999 different fabrics, but we may exchange up to 300-400!

Class one - discussion and set up. Depending on how many people sign up, we will organize into groups for exchanges. We will have 4 different meeting times: 10-10:30, 10:30-11, 11-11:30; 11:30-noon. I know, complicated. If I don't have that many people sign up, I will

consolidate the class - remember, it's just a discussion class. I'll talk about charm quilts, explain the rules, and set up what we will be exchanging in the upcoming classes.

Class two - Exchange the first color ways. You will cut Xnumber of squares of the first colors for each person in your group: (example only) red, orange, yellow, blue. 10, 5" squares of each color per each class member. If you have 5 in your group, that's - 50 squares of red, 50 squares of blue, etc.

Now don't panic. I will adjust the number of squares to be exchanged based on how many people sign up. I don't expect you to buy all of the fabric: use your stash. AND the squares you exchange can be different for each person in your group, as long as each person gets 10 different reds, for example.

If you're interested, more info will be given in class, all questions answered, etc. The book we will use is called Charm Quilts by Beth Donaldson. Buy a used copy on Amazon.

Fractured Quilt Sat January 30 1-4 \$30(Includes pattern) Sue Frerich

Take a piece of fabric, cut it into strips and sew it back together and you get a fractured quilt. It looks a little like an attic window quilt that collided with a bargello quilt. Well, kinda. And depending on which fabric you pick, you can applique some of the images from the fabric onto the fractured quilt, making it appear even more dimensional.

Lone Star Quilt Saturdays Jan 9, 16 & 23 1-4 OR May 1, 8, 15 \$35 Barb Boyer

This is the perfect "next" quilt for everyone who has taken the beginning quilt class. You will build on your skills, like learning how to do inset seams. All you need is 6 fabrics plus a background. It will be helpful if you have your fabrics chosen before class, so just come in and I'll help with that. The class has three sessions and by the third session you will be in-setting your squares and triangles, completing the inside of your quilt.

February Classes

2-fer Quilt Mondays January 18 & February 15 1-4 \$35 Barb Boyer (ongoing)

This is a crazy quilt using the Scrap Crazy Creative Grid ruler, making it easy to stack cut the pieces. Then, and this is the 2-fer part, you will embellish your seams using the decorative stitches on your machine! If you've never tried out those stitches, this is a simple, easy way to experiment.

Beginning Quilting 8 weeks \$65 Barb Boyer Starting Sun Feb 7.

This comprehensive 8-week course will introduce to you almost everything you need to know about piecing a quilt top. Along the way you will learn about color, batting, thread, machines and various techniques to give you the skills to make almost any quilt.

Bumblebee Blossoms (ongoing, see January) Sat February 20 & 27 1-4 (sewing) \$35 Jean Korber

Krista Mosher has done it again with her Bumblebee Blossoms quilt. The pattern uses

ombre fabrics, but Jean will show you other ways to choose your fabrics - thus the Jan 30 class where she will help you pick your colors. The next two classes will be all about sewing the blocks.

Charm Quilt (ongoing, see January)

Oriana (Circles) Quilt Saturdays February 6 & 13 1-4 \$35 Sue Frerich

You can use precut 2 ½" strips for your circles, cut your strips from fabric using our AccuCutter or cut your own strips. You will make your strata (strip pieced units) and then cut out the circles using overlarge plastic templates (you can make your own or borrow our templates).

March Classes

Bear's Paw Quilt Saturdays March 6 & 13, 1-4 \$35 Barb Boyer

This retro looking quilt is easy to do, but be warned, there are many pieces. This is a perfect scrap quilt - chose a color way, pull from your stash, cut your pieces and sew! I used blue calicos and a background calico that I have carted around since 1978 for the "claws" and assorted "darks" and "mediums" in a variety of colors for the "paws." I am looking at some vintage lines of fabrics to bring in, but they may not be available by the time of class. So just hunt for dark and medium scraps (don't worry about color just darks and mediums) in your stash or buy 30-40 fat quarters (to give yourself a variety).

Charm (ongoing) See January

Designing With Panels March 31 (discussion, no sewing) \$30 Barb Boyer

We all have panels, but we don't know what to do with them. I will show you how to turn your panel into a wall hanging or full sized quilt. We will discuss how to add blocks to "border" out the quilt, add lights to a Christmas or Halloween quilt, change patterns to fit your panel, chop up your panel into attic windows or other designs----so bring some of your panels to class and go home with a plan!

Dinos with Teeth Wednesday March 3, 1-4 \$30 Barb Boyer

In the Beginning has done it again with great digital fabrics of dinosaurs. The quilt is big, but the piecing is simple. In class you will be able to get the panel and blocks cut out and you'll start sewing on the half square triangle blocks. At the end I'll show you how to miter your borders-simple. I recommend using Marvelous Miters by Susan Cleveland - get it on Amazon as a used book.

Tiger Tiger Saturdays March 20 & 27 \$35 Sue Frerich

This beautiful tiger wall hanging is paper pieced - the green eyes just glow! From the book Animal Quilts, you can choose to do the tiger or any of the other animals in the book. This is not a class for beginners, however. You must have some experience doing paper piecing to join this class as it will stretch your sewing skills.

But what a wonderful way to learn and grow in your quilting!

April Classes

Attic Window Saturday April 17 1-4 \$30 Barb Boyer

Take a panel (or two, always recommended), cut it apart and turn it into an attic window marvel! Skills learned: y-seams or inset seams. You will have a choice of using a pattern or creating your own design using your panel. All it takes is a panel (or two), and window sill fabric!

Crazy Pumpkins Saturdays April 3 & 10 1-4 \$35 Barb Boyer

This quilt is like a stack and slash quilt-with a little more organization. Actually a lot more organization. But I've got it all figured out and sometimes organization is just over rated. Learn this fun way to stack, cut, rearrange and sew to create whimsical looking pumpkins - no two pumpkins are quite alike, which makes this style of sewing so charming. Once you've done one, you'll be itching to do her dogs, cows, barns, santas, flowers.....

Thanksgiving Quilt April 26 1-5 \$30 Barb Boyer

I used Thanksgiving fabric for my quilt, but the quilt is essentially a pieced nine-patch scrap quilt. This is an easy strip pieced quilt with an old fashioned feel. Choose darks and mediums for the blocks and a neutral background that compliments. Did I mention that the left overs went into the Bear Paw Quilt? Scraps and Scraps, it's fun to use it up.

May Classes

Lone Star Quilt Saturdays May 1, 8, 15 1-4 \$35 Barb Boyer

This is the perfect "next" quilt for everyone who has taken the beginning quilt class. You will build on your skills, like learning how to do inset seams. All you need is 6 fabrics plus a background. It will be helpful if you have your fabrics chosen before class, so just come in and I'll help with that. The class has three sessions and by the third session you will be in-setting your squares and triangles, completing the inside of your quilt.
