January 6, 2023

Good news! No – I’m not talking about Congress electing their new Speaker. Spoiler alert: That hasn’t happened yet. I’m actually holding out for 6 republicans to switch sides and vote for the House minority leader Democrat Hakeem Jeffries of New York. Wouldn’t that be something.

No, the good -- great -- news of the day is that Damar Hamlin “is speaking and had his breathing tube removed Friday,” quoting from the press release from the Buffalo Bills. Not to be too picky here, but they should have said the breathing tube has been removed and he is now speaking. But, hey, he’s awake and he has also been able to communicate with teammates via FaceTime, the team said, and he wanted to know who won the game. It felt like a Harry Potter moment, when Harry, after falling off his broomstick during a quidditch match because of the dementors, woke up in the hospital ward and wanted to know who won.

Unfortunately for Harry, he had to learn that not only did the team lose, but his broomstick was also shattered beyond repair. For Damar, that news was not as dire. He learned that the game was postponed, cancelled, not to be rescheduled, but the teams will just go on to play the next game on the schedule.

Which is a good thing, even though this is the first time since 1935 that every NFL team hasn’t played the same amount of games. This has almost a McCarthy vibe, as a failed Speaker of the House vote hasn’t occurred since 1923.

But we weren’t talking about that. So if Buffalo and Kansas City both win this weekend, then they will play against each other on a neutral playing field. Don’t ask me why. If they both lose, and Baltimore wins, then Buffalo and KC championship game is played on a neutral field. Don’t ask me why or what’s the difference here. If Buffalo and KC both lose and the Bengals win, then we get a Bills or Bengals vs. KC game on a neutral site. It has something to do with percentage of wins by KC. Listen to the sports broadcasters this weekend. They won’t be able to explain it, either.

So it looks like no matter whether KC wins or loses in this weekend’s game, they will play in the championship game. Or not. And it looks like Bills & Bengals may still need another game if one or both lose? Somewhere? With someone? And don’t forget about Baltimore. If Baltimore wins against the Bengals this weekend, Baltimore will be rematched the Bengals in a Wild Card game, and the host would be decided by a coin toss. And that’s all because the Ravens don’t have the “points” to mathematically beat the Bengals, who are leading in the AFC North conference. Or it’s the other way around. So they get to play them again. In like a week. And if Baltimore wins, and the Bills win, who plays KC? Or if the Bengals win and the Bills win, Baltimore loses and KC loses, who plays KC in the championship? Got it? And don’t forget, Denver plays one last game Sunday. The outcome of that game won’t affect anything, which is actually kind of a relief.

But this is all still up in the air as the League (owners, etc.) are supposed to vote today on whether this whole proposal is acceptable.

And we all know how voting is going this week.

So let the games begin and may the odds be ever in your favor. Sorry, I'm listening to dystopian youth fiction right now and watching children play at being congress men and women. It's been an interesting combination.

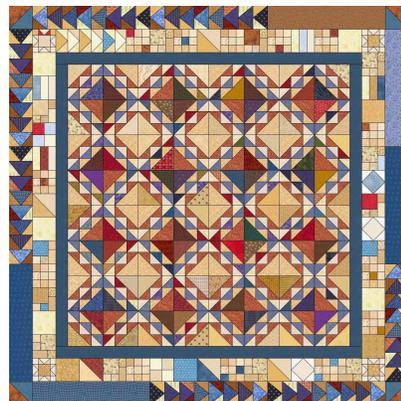

And it's snowing. Where did that come from?

Mystery Quilt at Christmas

Part III

It's done! Final pattern is below. Quilt is 102" X 102". Big, yes, but it uses lots of scraps.

Part III

Prism Collection from In the Beginning Fabrics Coming in late February!

We are bringing in the entire collection and kitting for two different quilts. One is a Sampler Block, styled as a block of the month. The other is a strip quilt made with 2 1/2" strips.

The Sampler quilt has 10 different blocks and you make 2 blocks from the same pattern. We may put this quilt on the schedule as a block of the month (not the free block of the month, which will continue to be on the first Saturday of the month). The strip pieced quilt we will put on the schedule, sometime in late March or April.

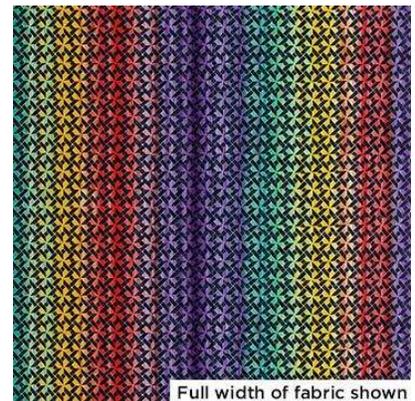

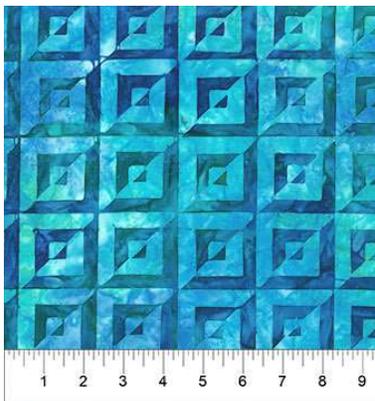

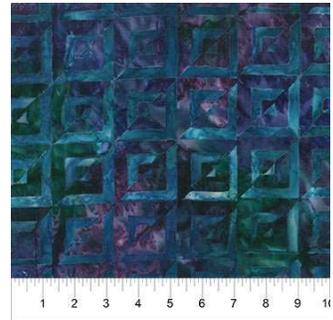

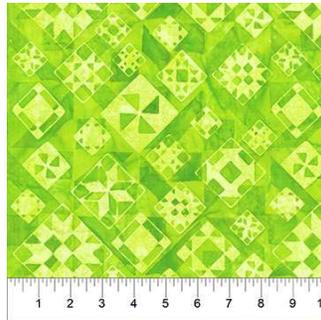

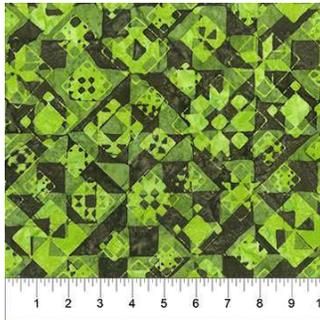

Kits for both quilts will be limited. Cost for the strip quilt (top only) will be approximately \$100. Cost of the sampler quilt (top only) will be approximately \$275. At this time I am taking preorders for both quilts. If you are interested, a down payment of \$100 for the sampler quilt and \$50 for the strip quilt will guarantee you a kit.

I am taking these preorders now, because if I have more interest than I have kits (like I said, right now kits are limited based on how much fabric I ordered), I can reorder more bolts. But I need to know quickly.

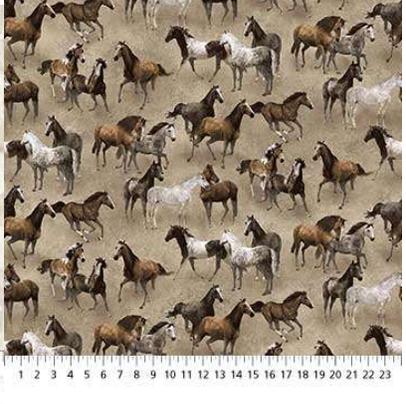

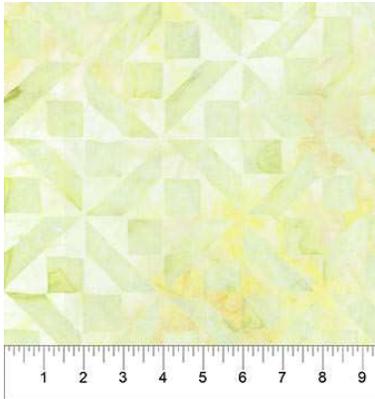

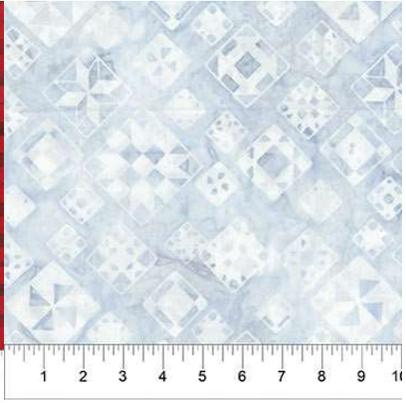

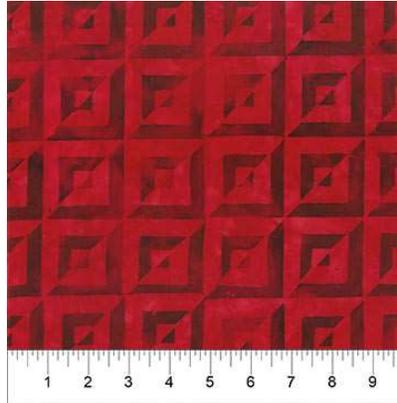

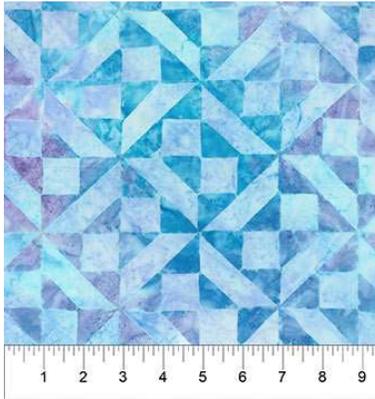

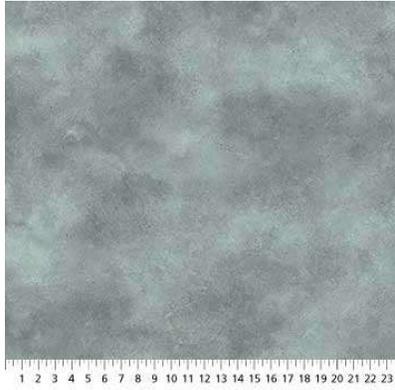

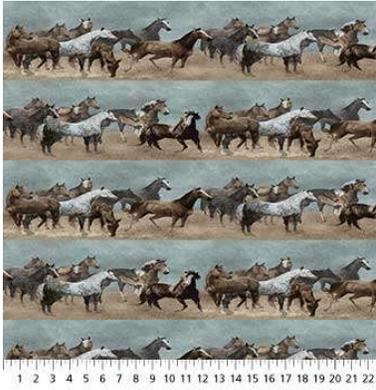

These are the two quilts.

Ongoing Classes & Clubs

Block of the Month First Sat of month 10:30-11:15 FREE Barb Boyer
Join at any time. You get a free fat quarter if you come to class with the previous month's completed block. This year the challenge will be Starry Skies. Challenge #1 is to use at least 25 different fabrics in the quilt – should be easy. Challenge #2 is to choose backgrounds for the blocks that aren't the typical cream/white neutrals that we generally use. Instead, we will mix it up a bit, using both traditional backgrounds for some blocks, and then choosing "colors" in both light and dark fabrics for other blocks.

Hand Embroidery Club 2nd Sat. of the month, 10-noon FREE Kathy Sconce
If you want to learn to hand embroider or just brush up your technique, join us on the second Saturday of the month from 10 to noon. You can work on your own projects or you can join the project we are doing, which is Garden Belles. Each block features a lady in vintage costume, in the garden, or similar outdoor setting. These are old fashioned ladies in dresses, which offer all sorts of stitchery creativity.

Knit Pickers' Club 2nd and 4th Wed of each month, 2-5 Carol Moler
Come join our Knit Pickers' Club. We knit 2 days a month every second and fourth Wednesday, from 2-5. The Club is open to all skill levels and, despite the name, includes crocheters as well. We want to share what we've learned, find new patterns, and simply just sit and knit. We may work on some felting projects, fingerless mittens, mittens, and socks. We can even help you get started—teach you the basics.

Hand Sewing Club every Tuesday afternoon 2-5

This club is open to everyone. Bring your hand sewing (embroidery, binding, knitting, crochet, etc) and sit & stitch.

Third Monday (usually) Open Sews 10-4 \$10

The classroom is now open on the third (usually, check calendar) each month for open sewing. There is a charge for the use of the space, but you will have access to the flannel boards, all the cutting tables, AccuCutter, fabric (of course) and help, if you need it. I chose the 3rd Monday because in January & February, that day is a holiday. If I get enough interest, we can look at having other open sew days.

January classes

Pieced Baltimore Beauty first Sat in Jan-Mar ongoing

Machine Applied Binding Sat Jan 14, 1-4 \$40 Barb Boyer

This is hands on class. You will need a small project (10" to 40", table runner, small wall napping, place mat, etc) that is quilted and ready for binding. In class I will show you how to cut your binding, press it, and stitch it down. We will discuss hand applied binding as well and cover cutting and sewing bias binding. In class you will cut your binding (so you will need fabric for your binding, but do not cut ahead of time), stitch it to your project, miter your corners and then stitch it down by machine on the other side, using decorative stitches.

Exploding Hearts Saturday January 23, 10:30-4 \$35 Jean Korber

Ready for Valentines and Spring? This advanced beginner quilt will show you a different way to handle half square triangles that's fast and requires little to no squaring up! The quilt is fat quarter friendly and is a large throw size, 72" X 72" – but you can make it larger by adding borders. Check out images on the internet for all sorts of color options.

Quilt #1, How They Shine: Fat Quarter Favorite Quilts Sat Jan. 28 10:30-4 Jean Korber & Barb Boyer \$35 (or \$120 for all 6 quilts)

We are doing 6 quilts from the same book, called Fat Quarter Favorites. This is a book you can only get on line from shopmartingale.com (very last page of the ebooks section) or by buying used from various used sellers. We are offering 6 different quilts, one a month, on the fourth Saturday of each month. You can pick and choose which quilts you want to do at \$35/class or choose to do all 6 for \$120, a bargain. Each class will offer a special skill, ruler or technique. The first quilt, How They Shine, is a deceptively easy block to make, but a tricky block to get lined up properly. We'll show you how. It uses 20 fat quarters plus a background.

February Classes

Beginning Quilting 8 weeks \$65 Barb Boyer Starting Sun February 5

This comprehensive 8-week course will introduce to you almost everything you need to know about piecing a quilt top. Along the way you will learn about color, batting, thread, machines and various techniques to give you the skills to make almost any quilt.

English Paper Piecing Sat February 11, 1-4 \$35 Barb Boyer

We will start with a small project to get you started on the technique. English paper-piecing is a

method of piecing by hand. Essentially, you work with paper templates, baste the fabric edges over the template, and then sew the prepared pieces together using a tight whipstitch on the edges. Yes, this is a slow quilting kind of project, but it is perfect for keeping hands busy in the car, in meetings, in doc offices, on planes and all the places you can't haul a sewing machine. And the technique is simple to learn and master.

Two Scoops Sat Feb 18, 10:30-4 \$35 Jean Korber

We love Krista Mosher quilts! This quilt is perfect for summertime, which will be coming soon. It is a perfect baby quilt or it can be made larger into a lap size (or larger, of course). The pattern gives a complicated look without tedious piecing. Two Scoops is constructed of two main blocks, the candy blocks, and the ice cream cone blocks, with side setting units that make construction a breeze with no Y seams. Each block illustrates a different technique using the Creative Grids 60-Degree Diamond Mini Ruler.

Quilt #2, Double Dutch: Fat Quarter Favorite Quilts Sat Feb 25 10:30-4 Jean Korber & Barb Boyer \$35 (or \$120 for all 6 quilts)

The second quilt is called Double Dutch, taught by Jean. For this quilt, you will need the Creative Grid Flying Geese ruler to help you with the flying geese constructions. This quilt uses 16 fat quarters plus a background.

March Classes

Happy Stripes Quilt at March 11 1-4 \$30 Barb Boyer

Talk about easy; your hardest part might be choosing your fabrics. This quilt uses fat quarters, but because it calls for 2 ½" strips, pkgs of precut strips can be the way to go. For everyone who took the Waterfall Quilt (or any other strip quilt), if you have left over strips, this is the perfect quilt to make. You can make it very scrappy, or choose a more color controlled palette. This is the perfect quilt, and perfect timing, to get that graduation gift made.

National Quilt Day Demos Saturday March 18 TBA

Quilt #3, Tic-Tac-Toe: Fat Quarter Favorite Quilts Sat Mar 25 10:30-4 Jean Korber & Barb Boyer \$35 (or \$120 for all 6 quilts)

The third quilt is called Tic-Tac-Toe. We're making our sample from kitty paw fabrics for the background, and then 16 theme related fat quarters in brights. This quilt uses two-at-a-time half square triangles, and modified flying geese constructions for the blocks. Borders are pieced, so the lesson to be learned is how to keep an accurate quarter inch seam allowance in order to get the borders to fit. Don't worry, we'll show you how to "fudge" if something goes wrong.

April Classes

Domestic Machine Quilting Sat April 1 1-4 \$40 Barb Boyer

This is a hands on class. I will provide the practice materials, you will bring your machine. You will need a hopping/darning foot for class. You will also need to be able to drop or cover your feed dogs. If you have a walking foot, you can bring it as well, but it is not necessary for class. In class you will practice various patterns and techniques for machine quilting.

Prism Strip Quilt Sat April 8 1-5 \$35 Jean Korber or Barb Boyer

This is the first of the In the Beginning Prism quilts. The class is intended for those who purchased the strip kits from the Prism collection. If you do not have these precut strips, you are still welcome in class, you will just have to choose fabrics for your strips and have them cut prior to class.

Storm at Sea Sat April 15 10:30-4 \$40 Jean Korber

This quilt used to be intimidating—then a ruler was developed and now it’s a breeze! We will work with Deb Tucker’s ruler for the construction of the block. We will also talk about various color schemes, one of which includes coloring the blocks to make a heart appear within the design.

San Marco 10:30-4 \$40

This quilt is made from Northcott’s collection called Surfaces. While we have a sample quilted for display, we did not piece it – it’s a digitally reproduced image of the quilt. We haven’t looked at the pattern yet, but we know that it is paper pieced and it is not constructed in the round, although it looks like it. That means ... it isn’t as hard as it looks and it is well suited for beginning paper piecers.

Quilt #4, Searchlight: Fat Quarter Favorite Quilts Sat April 29 10:30-4 Jean Korber & Barb Boyer \$35 (or \$120 for all 6 quilts)

The fourth quilt is called Searchlight. This quilt takes 15 fat quarters plus background. You’ll learn the “square in a square” technique plus a unique way to make pieced corner triangles. It’s a speedy version that doesn’t involve cutting triangles!

May Classes

One Block Wonder Saturdays May 6 noon-5 & 20 10:30-4 \$45 Jean Korber

If you haven’t tried making a one block wonder quilt from panels, you are missing out on a spectacular quilt. This quilt uses 7 panels; 6 are cut into triangles and the remaining panel is incorporated intact into the quilt. You will learn how to accurately stack your 6 panels, cut them apart into strips, which are then cut into 6 identical triangles. After piecing your half hexagon units, you will design your own quilt. Jean has great tips and suggestions on how to make this quilt, how to incorporate additional fabrics into your quilt, and how to evaluate what panels make the best One Block Wonder quilts.

Shakespeare in the Park Sat May 13 1-5 \$35 Barb Boyer

This quilt is made up of stars and Snail’s Trail blocks. The pattern is an old time favorite from the legendary Judy Martin. It is a classic quilt, one of those on the bucket list of “to do” quilts.

Quilt #5, Step in Time: Fat Quarter Favorite Quilts Sat May27 10:30-4 Jean Korber & Barb Boyer \$35 (or \$120 for all 6 quilts)

The fifth quilt is called Step in Time and it’s a version of Jacob’s Ladder set in a criss crossing pattern. This is a half square triangle intensive quilt. It calls for 39 fat quarters, no additional background. There is a color “map” for what goes where, but you can make it more scrappy by simply choosing light, medium and dark fabrics, regardless of color to make your version of this quilt. The half square triangles are made 2 at a time, but we do have the die cutter in the correct size, if you want to cut your fabric on the Accucutter. The technique learned for this quilt? Patience – lots of sewing to do.

Ongoing Classes & Clubs

Block of the Month First Sat of month 10:30-11:15 FREE Barb Boyer
 Join at any time. You get a free fat quarter if you come to class with the previous month's completed block. This year the challenge will be Where Are You Going and Where Have You Been? Or This is Your Life. The challenge is to find fabrics that represent your life and your interests: travel, gardening, reading, quilting, where you've lived, family, etc. The some of the blocks will also represent your life: Wyoming and Cheyenne blocks, flowers or baskets – I'll do my best to find blocks that represent some of our mutual interest. The other challenge is to make some of the blocks in both 12" and 6" sizes (don't worry, I'll supply the cutting directions).

Hand Embroidery Club 2nd Sat. of the month, 10-noon FREE Kathy Sconce
 If you want to learn to hand embroider or just brush up your technique, join us on the second Saturday of the month from 10 to noon. You can work on your own projects or you can join the project we are doing, which is Snow Women. Each block features a snow woman doing every day chores – or deciding to go sledding instead. Each has a funny saying and all blocks have quilt patterns to embroider within.

Knit Pickers' Club 2nd and 4th Wed of each month, 2-5 Carol Moler

We are changing up the Knit Pickers Club. We're going to knit 2 days a month every second and fourth Wednesday, and we'll start earlier in the day at 2 and go to 5. The Club is open to all skill levels. We want to share what we've learned, find new patterns, and simply just sit and knit. We may work on some felting projects, fingerless mittens, mittens, and socks. By summer, we may extend the knitting time into the evening.

Hand Sewing Club every Tuesday afternoon 2-5

This club is open to everyone. Bring your hand sewing (embroidery, binding, knitting, crochet, etc) and sit & stitch.

December Classes

Letters to Santa Sat Dec 10 1-5 \$30 Barb Boyer

Kids put out cookies and carrots for Santa and his reindeer on Christmas Eve. This little pieced “mug rug” has a pocket for Sant’s letter and a space on the side for the cookies, milk and carrots. It’s quick to piece and is a perfect gift for the child in your family. The pattern calls for embroidery as well, but a flair tipped pen works just as well.

Waterfall Sat Dec 17 10:30-4 \$35 Jean Korber

The Waterfall pattern is a cascading colored quilt block, using 7 different fabrics from light to dark made in a half log cabin styled block. You can make the quilt using one color family (pattern is shown in blue) or you can make it in various colors, cascading from light to dark in each color family. I hope to be able to bring in at least one fabric group that uses 7 different colors in one color family. Stay tuned.

Nolting Quilting Machines

Nolting Longarm Machines

Nolting has 5 main machines, each with different reaches: from 17" to 30" depending on the machine. They are sold with or without a frame, but after I saw & helped set up one of the steel frames this week, I recommend buying the frame. All machines, except for the Standard--the most economical machine-- have a stitch regulator. I recommend a stitch regulator. All machines can be equipped with a computer and there are a couple of different ones to choose

from. In addition, you can get an extended table base so that you can use rulers, you can get larger bobbins on some of the models and on the frames you can get hydraulic lifts to raise and lower the tables. In the coming weeks, I will print out more information on each model.

The best entry level machine is the Fun Quilter. It comes in 17", 20" & 23" reach. It comes with the Intellistitch Equalizer stitch regulator, standard speed control, needle up/down, and fixed handles in the front & rear. This machine can also be equipped with a computer.

The Pro Machine has the Intellistitch Turbo stitch regulator, single stitch option, standard speed control, needle up/down and customizable handles in the front & rear. The Pro Machine comes in 20", 24" and 30" reach with 10-12" of inside height. There are easy dials on the front to set stitch length and other options. This machine can also be equipped with a computer.

The NV Machine is the newest in the fleet of Nolting machines. This machine has a touch screen with programmable stitch regulation. You can stitch in 4 different stitch modes plus single stitch and needleup/down. It also has an adjustable brightness LED work light. This machine can also be equipped with a computer.
